

Aloha
Guest Manager

**ALOHA GUEST MANAGER
is Free - a \$1,650 Value!**

Providing a memorable guest experience will set you apart from your competition and keep your customers coming back. The new innovative Aloha Guest Manager solution intelligently tracks table status, reduces the time tables that are left unseated, maximizes seating efficiency and captures key guest information to help you provide personalized service.

Radiant System's Aloha Guest Manager solution allows you to improve your guest experience by seating your guests quickly and efficiently and quote accurate wait times. It offers reservation management, waitlist management, table management and guest tracking that is synchronized in one tightly integrated solution with the Aloha Point-of-Sale.

When you

Buy a P1510 All-In-One Terminal

ENHANCE GUEST EXPERIENCE

- » Provide accurate wait quotes to reduce the risk of frustrated guests
- » Capture and respond to guest requests and preferences
- » Flag guests with attributes clearly visible on the waitlist and floor view
